LOVESEAT

Evolution is your dream come true! Recline to your favorite seating position, then adjust the headrest for ultimate comfort! Refrigerated and lighted cupholders add to the home cinema experience with soft blue lights to add some Hollywood magic. RowOne's exclusive zipped in 'crumb catcher' lining catches coins, popcorn and other debris for easy clean up without moving the seating!

Refrigerated and lighted Cupholder has a touch of the button power headrest, lights, and recline control

Power headrest on all home cinema seats for maximum comfort in any position.

Deep storage arms can hold remotes, BluRay movies and other handy items.

Each seat has a zip-in liner attaching the back to the seat catching loose change, food and debris.
